PAST PERFORMANCE

IDIQ MACC, Letterkenny Army Depot

Chambersburg, PA | Sept. 2018 to present | \$18,925,000 (current)

GBOSS was awarded an IDIQ MACC contract to provide services for a wide range of construction, renovations and modernization task orders at Letterkenny Army Depot. GbOSS has completed more than 90 task orders valued at more than \$18 million with 21 task orders in close out, 13 task orders pending award; and 12 task orders in progress.

New Construction Design-Build Wage Grade Shop, National Conservation Training Center

Shepherdstown, WV | April 2021 | \$2,020,000

GbOSS provided full engineering, design and general construction services for a 6,000 SF preengineered metal building featuring a maintenance shop with offices, conference room, kitchen, bathrooms, locker room, and shop area.

Center for Data Analytics and Machine Learning Renovation, DOE National Energy Technology Lab

Pittsburgh, PA | April 2021 | \$13,040,000

Prime Contractor for an 8,000 SF Tier III, 1.2 MW Enterprise Data Center. This project renovates 3,500 SF for office space/visualization gallery and related telecommunications and a two-story addition with a 2,200 SF data hall, 1,800 SF electrical space, telecommunication room and access corridors.

Ground West & 1 West Renovations, Herbert R. Temple Jr. Army National Guard Readiness Center

Arlington, VA | July 2021 | \$2,377,096

GbOSS accomplished this office renovation in 5 phases. Work entailed moving partition walls, drywall work, new ceiling tiles, flooring, cove base, painting/staining, chair rail, signs, floor box moves and window glazing. Work was performed in an occupied building.
